Ale rok 1974 to nie tylko sukcesy – na skutek trwającego kryzysu ekonomicznego ogromne inwestycje w nowe modele spowodowały katastrofy finansowe przedsiębiorstwa, i po raz drugi w jego historii mimo odnoszonych sukcesów rynkowych, producentowi zaczęło grozić bankructwo.

### **Citroën – Wikipedia, wolna encyklopedia**

Description. Le passage en mode cabriolet nécessite de nombreuses manœuvres pour lever les arches de toit de 12 kg chacune qui ne sont pas logeables à l'intérieur de la voiture ni dans le coffre. Il est donc impossible une fois découvert de faire face à une averse ou un orage.
