Transportation Indicators For Sustainability - vtpi.org

Family planning services are defined as "educational, comprehensive medical or social activities which enable individuals, including minors, to determine freely the number and spacing of their children and to select the means by which this may be achieved". Family planning may involve consideration of the number of children a woman wishes to have, including the choice to have no children, as ...

Examining the Efficacy of a Time Management Intervention

PBISWorld Tier 2 interventions are more targeted and individualized behavior strategies. Social Stories are a highly effective way to teach social norms, routines, and skills. Many students including immature, autistic, and ADD/ADHD can more quickly pick up on social and behavioral expectations through social stories.
