Career. Drawing inspiration from earlier film theorists such as Noel Burch as well as from art historian Ernst Gombrich, Bordwell has contributed books and articles on classical film theory, the history of art cinema, classical and contemporary Hollywood cinema, and East Asian film style. However, his more influential and controversial works have dealt with cognitive film theory (Narration in ...

David Bordwell - Wikipedia

An art film is typically a serious, independent film, aimed at a niche market rather than a mass market audience. It is "intended to be a serious, artistic work, often experimental and not designed for mass appeal," "made primarily for aesthetic reasons rather than commercial profit", and contains "unconventional or highly symbolic content". Film critics and film studies scholars typically ...
