Bill Snyder (born October 7, 1939) is an American football coach and former player. He currently serves as the head football coach at Kansas State University. He served as head football coach at the school from 1989 to 2005, and then was rehired to the position on November 24, 2008, making him one of the few college football head coaches to have non-consecutive tenure at the same school.

1 Human Performance Technology Donald Tosti Every organization is a human performance system: It was founded by people. It's run by people, and it's established to provide value to the people who are its customers/stakeholders. This means that a human performance system may be seen as the most fundamental view one

In response to the early criticisms of the trait approach, theorists began to research leadership as a set of behaviors, evaluating the behavior of successful leaders, determining a behavior taxonomy, and identifying broad leadership styles. David McClelland, for example, posited that leadership takes a strong personality with a well-developed positive ego.
