Lobbying in the United States describes paid activity in which special interests hire well-connected professional advocates, often lawyers, to argue for specific legislation in decision-making bodies such as the United States Congress. It is a highly controversial phenomenon, often seen in a negative light by journalists and the American public, with some critics describing it as a legal form ...

Lobbying in the United States - Wikipedia

Neil Howe believes that a defining trait of millennials is that they are more likely to support political correctness than members of older generations. In 2015, a Pew Research study found 40% of millennials in the United States supported government restriction of public speech offensive to minority groups. Support for restricting offensive speech was lower among older generations, with 27% of ...
