

jko personal financial planning pdf

The desired end-state is a financial education program that enables Service members and family members to make informed financial decisions, ensuring financial readiness throughout their military service and as they transition to civilian life.

Personal Financial Management - United States Navy

The key to a successful transition is planning, which requires a carefully thought out Individual Transition Plan (ITP). The ITP provides a framework to achieve realistic career goals based upon an assessment of your personal and family needs as well as your unique skills, knowledge, experience, interests and abilities.
