### **Management and Leadership - ILM**

134 SECTION 10 Management Skills Steve Isaacs and Jack McAllister Management is an explicit process. It can be taught, and it can be learned. It takes time, dedication, and self-discipline.

### **Management Skills**

Management and leadership are important for the delivery of good health services. Although the two are similar in some respects, they may involve different types of outlook, skills, and behaviours. Good managers should strive to be good leaders and good leaders, need management skills to be effective.

### **Chapter 10 LEADERSHIP AND MANAGEMENT - WHO**

Instructus Skills is dedicated to advancing education for the public benefit through our work on qualifications,

training and skills. As the UK's largest apprenticeship certification authority we represent the skills needs of over 11 million employees every year.
