Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

Some history! After the release of the 6th Edition of the book, which covered Windows 7, it's fair to say that I was pretty burned out. The book incurred heavy delays due to my juggling of college, internships, and various relationships, while also requiring a massive amount of work due to the ambitious new sections, and coverage of the many, many changes that Windows 7 brought to the ...
